## How to stack a cart efficiently

### Did you know?

- 15L sharps units can stack above 30L sharps units, but not above another 15L sharps unit;
- 7.5L sharps units can stack alongside each other and above one another;
- 30L sharps units can stack above other 30L sharps units, but cannot stack above 15L sharps units.

### You can fit:

- 36 x 7.5L sharps units on one cart
- 12 x 30L sharps units on one cart
- 12 x 15L and 6 x 30L sharps units on one cart
