

# Protecting your health and ours.

The health and welfare of our customers and staff is paramount.

To continue operating within government guidelines, while servicing customers, our service team will:

Only have **one driver** per vehicle

Wear **face masks and gloves** before entering customers' premises

Sanitise **handheld devices** before entering customers' premises

Follow **social distancing guidelines** during service

Scan containers using **handheld devices** however a customer signature will not be required

Sanitise **hands** when returning to the vehicle

Wash hands and dispose of **PPE** on return to the Stericycle branches

For peace of mind, contact Stericycle today
